Let’s Build Community

Peace & Justice Center Community, 2026

To the tune of “Swing Low, Sweet Chariot”

Refrain

```
D              G       D
Let’s live in community
                         A
Where everyone feels at home
D             G      D
Let’s build community
           A        D
So nobody feels alone
```

Verse 1

```
D              G       D
I look to my neighbours, what di I see?
                   A
Everyone feels at home
D                      G          D
Friends and strangers protecting me
           A        D
And I know I’m not alone [Refrain]
```

Verse 2

We see each other as we are
And everyone feels at home
Wherever you come from, near or afar
Nobody feels alone **[Refrain]**

Verse 3

Listen to your neighbours and open your heart
Everyone feels at home
Put down your phone, that’s a good place to start
And nobody feels alone **[Refrain]**
